

Respected Sir/Ma'am,

I am Dhwani Parekh, a qualified Nutritionist. I am currently pursuing Masters in Nutraceuticals from S K Somaiya College, Vidyavihar. I am writing this letter to attest that I would be assisting Bhavik Bhatt and his team while they work on their project "FitNoQuit".

Given my professional experience by working as a nutritionist in Anushasan, with Amita Mishra and the knowledge I have gained from various certifications in Diet and Nutrition, Sports Nutrition, Clinical Nutrition and Obesity Management, I would suggest changes in the team's dataset and will help them validate the diet recommendations made by their recommendation model.

I wish the team all the best.

Sincerely,
